Possession Point State Park *The Mid-Sound Area*

Possession Point marks a dividing line for those heading north in Puget Sound. Turn hard west for the Hood Canal, bear west up the side of Whidbey Island for Admiralty Inlet or go east for Saratoga Passage. This State park property is also a great overnight destination for those on the populated eastern shore of mid-Puget Sound.

Natural History.

The floor of Puget Sound drops precipitously just off the shore of the park. Divers enjoy exploring the underwater Possession Wall while fishers on boat and shore try their luck on the water's surface.
